

DIED, at Tooele City, Feb. 12, 1888 after a long and lingering illness and much suffering, Sister Emily Warburton she was born Oct. 17 1830, in Lincolnshire, England. She leaves a husband and nine children and many friends to mourn her loss. Sister Warburton was a loving mother and faithful wife, and a good faithful Latter-day Saint. She was the secretary for the Relief Society from the first of its organization in Tooele until her death; she was also the First Counselor to the President of the stake; she was always patient, cheerful and charitable and a wise counselor; and our society has lost one of the most faithful of its members; the deepest sorrow and sympathy is felt for the bereaved family, and fervently we pray the blessings of God to them that they may acknowledge His hand in all things and that they may follow in her footsteps and the good example that she has set before them.

ANN TATE, Cor. Sec. R. S.

"Dearest sister you have left us,"  
For the bright and happier sphere,  
Although your spirit has departed,  
Your memory we'll cherish here.

You have gained the victory,  
And are now at rest from pain,  
We are in this world of sorrow,  
Our loss is your eternal gain.
