Dear Helen:

you asked me for  
this picture and it  
is rather awkward  
just giving someone  
a picture so I am  
sending it to you  
this way.

The talk that  
we've had to gether  
have meant a lot  
to me just as we  
were discussing the  
other night.

we do need friends  
and it has been so  
nice to have someone  
that I can talk  
freely with and really  
receive help from.

I only hope that  
I haven't said anything  
that I shouldn't have.

When someone listens  
to my troubles it  
is not easy to  
forget myself & you.

Anyway it's been swell.  
I feel that I have a  
more complete knowledge  
of the gospel since  
talking with you  
missionaries. I think  
that all of you talk  
help each other and I  
appreciate them very  
much.

Sincerely,  
Betty Mae
