Dear Bertie
With pleasure I will answer
your kind & welcome letter.
In regards to your coming
to Oakley you use your
best judgment, I have only
said that I thought you would
do better here & I think so yet
you have nothing to fear if
you dont like Oakley you
can sell your cattle &
make money by driving
them here. Now in regards
to my coming I dont see
how I can as it is the very
busiest time in the year
but I have spoken to W.R.
Let who is one of the nicest

will do this week Apples
are ripe & the second crop
of Lucern is nearly ready
the weather is very dry & the
range is drying up cattle
& sheep look fine

Give our kind love
to all the folks & accept
the same Your self
John Adams

be sure & write & I
will keep you posted & if
you need any money dont
be afraid to say so
